

## Want to reach key decision-makers?

Reserve a MCAA Monthly National Update Sponsorship today!

If you want to reach the key decision-makers in the mechanical construction, service, and plumbing industries, then MCAA's Monthly National Update Sponsorship is for you!

MCAA's 2,800 member companies look to the weekly National Update for information and guidance to stay current and take advantage of member benefits, including free educational programs and resources. The weekly National Update also includes member news, such as the Virtual Trade Show and Smart Solutions, which highlight the latest trends and initiatives.

As a member of MCAA's Manufacturer/Supplier Council, **you have the exclusive opportunity to sponsor the National Update** – putting your company's logo and information in front of key decision makers. Plus, your company's logo and short marketing message will appear on MCAA's homepage slider, giving you another opportunity to showcase your company.

Best of all, this **sponsorship is priced to fit into almost any marketing budget.**
